Get your bill payments back
on track after the holidays with our

Skip-A-Payment Promotion!

Our promotion gives you coupons that you can apply to loans under the Open-End Credit Agreement.* The coupons will defer one of the following per loan:

- One monthly loan payment,
- Two consecutive biweekly payments, or
- Two consecutive semi-monthly payments,
- Four consecutive weekly payments.

Coupons are valid January and February, 2012, and may not be used in conjunction with any other skip-a-payment option or extension made within the prior 90 days.

Please note: A \$25 processing fee per loan will be applied. Call (210) 684-1054 for more information.

*Finance charges continue to accrue during the month you skip. All loans must be in good standing and six consecutive monthly payments must be applied to all new loans before a skip-a-payment option may be offered. Due to legal restrictions, coupons may not be used toward home equity loans; home improvement loans; real estate loans; indirect loans, guaranteed student loans; any MasterCard® product; or delinquent loans.
